

SLATE LITE™

Impregnating and sealing changes the color 🎨 and texture 🖐 of the stone. The following pictures give you an impression of these darkening. Before processing be sure to test on oddments if you like the result of the sealing.

Durch Imprägnieren und Versiegeln verändert sich die Farbe 🎨 und Haptik 🖐 des Steins. Die folgenden Bilder vermitteln Ihnen einen Eindruck der Nachdunkelungen. Führen Sie vor der Verarbeitung immer einen Test auf Reststücken aus, um sich vom Resultat der Versiegelung zu überzeugen.
